REQUIREMENTS: All horses must have negative Coggins to enter the ride. All out of state horses must have current health certificate when entering WV. Address for base camp you can use for Health Certificates: HC Box 7A, Ellamore, WV 26267

BASE CAMP: Camp will be located in a large open field next to the river. Camping is primitive. Some shade available around the edges of the field. No stalls or electric hookup available.

WATER: We will have plenty of water in camp for horses. Bring your own people water. There is access to the river from base camp as well.

TRAILS: All vet checks are in camp. Trails are moderately difficult with hills and rocks. Plenty of water on trails and mostly shaded. There will be several river crossings. River depth depends on rain, but generally not quite chest high on most horses. Shoes or boots strongly recommended. This is not a barefoot friendly course, even if your horse is used to rocks!

VETS: Dr. Arthur King and Dr. Nick Kohut. A treatment vet will also be onsite.

FARRIERS: We will have several well qualified local farriers on hand the day before the ride and at base camp during the ride. Please pay for services at the time they are rendered, directly to the farrier.

MEALS: We will have dinner on Friday and Saturday nights. Each rider gets both dinners included with entry. Extra meal tickets can be purchased for \$12.00 per dinner. Ice will be available for purchase in camp. The RCRRRC will also be offering concessions throughout the weekend.

FOOD VENDOR: We will have a food vendor in camp, parked near the tree line on the left side camp coming in. He will have sandwiches, frozen lemonade, snowcones, and breakfast on Sat. morning.

PHOTOGRAPHER: Becky Pearman will be our photographer. She will be out on trail and in base camp.

DOGS: We love dogs at this ride, so don't hesitate to bring them. Just keep them out of the vetting area during the ride!
