Release Form**

I understand that Ride and Ties are hazardous activities which involve being in remote areas for a long time; that these areas have many natural and human-made hazards which race management cannot anticipate, identify, modify, or eliminate; that horses can be excitable, difficult to control, and unpredictable; and that accidents can happen to anyone at anytime, and that there is no ambulance or medical help present.

I UNDERSTAND THAT I AM ENTERING THIS EVENT AT MY OWN RISK and upon acceptance of my application for entry in the above-described race, I acknowledge that I assume FULL RESPONSIBILITY for my own safety. I and my heirs, executors, and administrators, will hold the Ride and Tie Association, AERC, SERA, SEDRA, The Talladega National Forest, and all officers and directors thereof, any member of the race management and race personnel, and all property owners/tenants whose land the race crosses BLAMELESS for any injury or loss to myself or my horse which occurs due to my participation and free from all liability for such injury or loss.

In short, I will not sue the race management, their personnel, landowners or tenants, Ride and Tie Association, AERC, SERA, SEDRA, The Talladega National Forest, for ANY REASON! I am fully aware of all race rules and agree to abide by those rules set down by the race management and Ride and Tie Association. I fully understand the consequences for not following race rules.

As a participant in this race, I have read the above liability release and will agree to abide by ALL rules. I grant my irrevocable permission to the Ride and Tie Association, it's authorized agent, and the event photographer, to use my name and any photographs, videos, motion pictures, records, or any other record of my participation in this event.

**Potentially Useful Information**  
**May 17-18, 2019**

**Directions:** From I-20 in Georgia, take the exit for Ga Highway 100 North to Tallapoosa, turn left onto Highway 78 West. From I-20 in Alabama, take the exit for Highway 9 North to Heflin, then take Highway 78 East. Enter into your GPS: County Road 61, Fruithurst, AL. From Highway 78, you will turn north onto County Road 61 at the USFS sign, which is across the road from the Cane Creek Fire Station between Edwardsville and Fruithurst, Alabama. Travel 7-8 miles north on County Road 61, and you will take a right onto County Road 532 (there is a sign that points you toward Coleman Lake Campground and the horse camp). All roads to camp are paved and easy to travel. Warden Station Horse Camp will be 100 yards on your right.

**Camping:** Park tightly to ensure space for all. Warden Station Horse Camp contains several camping loops. The first loop on the right is reserved for day riders who will share the trails with us, so please do not camp there. The second loop on the right has a permanent toilet. The first loop on the left is the vet check and registration area and is reserved for volunteers. There are two loops beyond the vet check. **PARKING IS TIGHT, SO DO NOT SPREAD OUT WIDE.** Please **RESERVE PARKING/CAMPING SPACE**, be considerate of those who cannot arrive in the middle of the work week. You will be asked to tighten up your space if you spread too widely, so make it easy on yourself and everyone else and conserve space. Camping is primitive. Horse water is available. Showers may be purchased at the kiosk at Coleman Lake Campground 1 mile away. There are very nice hiking trails for people on the Pinhoti Trail. Parking/Camping:

**Pay for your camping at the USFS kiosk upon arrival, after parking. It is \$6/day per rig. Display your stub so that the USFS Rangers will not fine you.** We will try to assist with parking once things get tight, so ask for help at registration if you arrive late. See maps for camp details.

**Meals:** No meals will be provided except for volunteers.

**Schedule:** All schedules and daily trails will be posted near registration in camp and updated regularly.

**Veterinarians:** Ken Marcella, DVM; DeeDee Huff, DVM; Scott Hanson, DVM. Art King, DVM.

**Farrier:** Nathan Busby 601.600.6831. Available starting Wednesday. Contact for advance appointments.

**Horse Trails:** The horse trails consist of old roadbeds and single track forest trails. It is a mountainous area with some rock. Hoof protection is recommended. All trails are technical, mostly gentle rolling hills, with some steeper inclines. There is natural water, water crossings, and there will be water placed on trail at strategic points.

**Helmets** are REQUIRED of anyone mounted on an equine at any time. Failure to abide by this rule will result in disqualification.

**Ride and Tie Manager:** Courtney Krueger 864-933-4912 ck@firstcumberland.com.

I know from experience that I will NOT have a cell signal in camp.
