

**Ninth Annual  
Giddy Up and Run RIDE AND TIE  
EAST FORK STABLES near Alardt, TN  
Sanctioned by the Ride and Tie Association  
Friday and Saturday April 3 & 4, 2020**

**What is a Ride and Tie?** A Ride and Tie is a race with teams consisting of two runners and one horse. The objective is to complete a cross-country course in the shortest amount of time. At the start of the race, one partner begins riding and the other running. After a distance, the rider will dismount, tie the horse at a self-determined place and continue on foot. Soon the other partner will reach the horse, mount and ride to catch his partner in front of him. By "leap-frogging" in this manner, the race course is covered by all three team members. The final team time is when all three team members have crossed the finish line.

**What is an Equathon?** An Equathon is a race where a rider does a course, comes back to the start point. When the horse pulses down to veterinarian criteria, the human (can be the rider or a different human) completes the trail run. This year's daytime event is a 12-mile horse ride and then a 7-mile trail run. For this year's nighttime Equathon there is a 5-mile horse ride and then a 4-mile trail run. If you are doing an Equathon solo, you may hand the horse off to someone else for the vet out, but you do have to stay until the horse pulses down.

**Lonely Hearts:** The best place to find a partner is on the Ride and Tie website: [www.rideandtie.org](http://www.rideandtie.org) or the East Coast Ride And Tie Folk Facebook page. The race manager may know of others.

**Rules** (not many-only one page) of the Ride and Tie are on the Website at [www.rideandtie.org](http://www.rideandtie.org). Helmet use is encouraged for everyone while mounted. Competitors under 16 years of age must wear approved safety helmets while mounted during a race (helmet approval by AHSA, PCA, ANSIZ90.4, or Snell). Management strongly recommends having a responsible adult ride/run within sight of junior contestants, not as a personal coach but more for safety. A team can stay together the whole race if they want.

**RAT Membership:** All competitors must be members of the Ride and Tie Association. Membership costs \$25/person or \$40/family and is good for the calendar year which ends in December. Membership forms will be available at the race. For more information about Ride and Tie go to [www.rideandtie.org](http://www.rideandtie.org). If you have joined online, please forward confirmation of membership to ride manager WAY BEFORE the event. Make MEMBERSHIP checks payable to the Ride and Tie Association. *For Competitors who have NEVER, EVER done a Ride and Tie before: [please join at the event \(fill out the membership form\)-you will get your first year's membership free!](#)* This is thanks to a generous benefactor to encourage new members!

**Trails/Camping Facilities:** The East Fork Stables have about 125 miles of exclusively equestrian trails consisting of dirt/gravel roads, and some single-track trails. For more information, see <http://www.EastForkStables.com>. R&T paperwork headquarters will be NEAR CAMPGROUND D (as in dog) and Barn E (as in echo). Overnight camping or cabins are available through the stables at 1-800-97-TRAIL or 1-800-978-7245 or even 931-879-1176. The office is usually open M-F 9-3 CST (unless snow/ice/school holiday). The stables will open on April 1, 2020. This event will occur the first full weekend they are open for the 2020 season. Make your own arrangements with East Fork and sign their release form. People/horse accommodations charges are not included in entry fee. Participants may use other accommodations for horses or people if they so desire; just be near headquarters for the start of the race! The facilities include flush toilets and HOT SHOWERS!!

**Food and Water:** You must bring ALL food and snacks for people and horses. Restaurants are available in Jamestown, about 15 minutes away. No meals or snacks will be provided. Ice is available at the stables. Horse water is also available.

**Pre-Vet Inspection:** Vetting of horses, ponies or mules will start at daylight on Friday, the day of your competition. All times will be **Central Daylight Savings Time**. Please send a current (within one year) copy of the horse's Coggins Test along with your registration form. If you are not arriving until race day, PLEASE LET MANAGEMENT KNOW in advance, so arrangements can be made for vetting in. People/paperwork can happen Thursday. This event has a relaxed schedule. Sunrise about 6:30am. Sunset about 7:00 pm. All Vet Checks are in camp.

**Distances:** There will be morning ride distances of 7, 10, 15, and 25 miles on Friday and Saturday. Afternoon rides distance of 4 and 7 miles each day. Yes, you can enter a 7 or 10-mile morning event and the afternoon events on Saturday, using either the same exact human team combination or different team combination on same or different horse. This is to encourage newbies or oldies that prefer shorter distances. Friday's courses will be pretty easy. Weather (icy conditions) may affect the course.

**NEW FOR 2020:** 1. Night Equathon on Friday night. 5-mile horse 4-mile run. Course will be marked with lights every 0.25 mile. Headlamps highly recommended for humans. It is strongly recommended to put lights on ALL team members (including horses). The full moon will not happen until April 7. (**TENTATIVE** 2. Optional Paypal payment method. You still have to scan/e-mail/fax the registration form and release to the ride manager. Please no phone messages or screenshots.)

**Facebook:** Keep up to date on the East Coast Ride and Tie Folk Facebook page.

**Start Times:** The start times will be determined as soon as the horses are vetted. Tentative start time for 15 and 30 will be 8:00am CDT. Ride will run on **Central Daylight Savings Time**. Change your wind-up watch accordingly! Do not rely on your cell phone-it might bounce between Eastern and Central time.

**Ride and Tie Briefing** will be at approximately 6:00 pm **CDST** on Thursday April 2. This meeting will inform riders of the up-to-date trail conditions, markings, available water, locations of vet-checks, maximum times and the logistics of check-points and holds. Questions from participants will be answered at this time. Please attend the briefing or at the very least send a representative from your team. The Friday 25 miler is the only "elevator" event, meaning you can decide after completing 25 miles if you want to continue another 10 miles (35 total). If you do not complete the last 10 miles you do NOT get credit for the first 25 miles either.

**Trail Stuff:** If management does not get notice that a course will be used AT LEAST 4 days before the event, that course will NOT be marked and the distance may not be offered at all.

**Awards ceremony** will be as soon as reasonably possible following the event. There might be a separate ceremony for the afternoon or night events. There will be a Best Conditioned Horse Award for the 25 or 35-mile distances only if there at least 5 teams in each category. There will also be the coveted "Turtle" award for all distances.

**Awards:** Giddyup and Run Ride and Tie shirts will be provided as completion awards-two shirts per team per event. We need to know sizes, (adult or children's, mens-regular tank or womens-racer back) before **Thursday March 19, 2020**. If you want extra shirts for crew members (additional \$10/shirt) please indicate on the registration form. Tee shirts are guaranteed for registrations received before **March 19**, so please send in your registration early!!!

**Volunteers:** If you can bring extra people to assist (take digital photos, pass out water, work checkpoints, ride drag, pick up trail markings), PLEASE note on entry form. Please note that all volunteers, riders and staff must make their own overnight camping/stabling and/or dayrider arrangements with East Fork.

**Entries & Cancellations:** Entries will be graciously accepted till 10:00 PM Monday night before the event. Event Day entries are really discouraged but accepted anyway. If the Ride and Tie Manager is notified of a cancellation prior to 10:00 PM Monday night before the race, nearly all the registration fee will be refunded. If you compete on Friday and Saturday with a different combination of riders or horses, please complete a different registration form for each day. Each human must sign the release!
