any Ride & Tiers of long standing will remember the remarkable horse, Grey, who died peacefully out at pasture on October 6 at the age of 32. Grey was absolutely atypical for an endurance horse. He was a catch-colt by a Morgan stallion out of an unnamed, unbroke Percheron mare and he stood 16 hands. He went on to become a Ride & Tie Hall of Fame horse.

We first saw him thundering across the finish line at the 1975 R&T near Paso Robles, where he and his team finished second and he took the Best Condition award. We were thoroughly impressed and were determined to find out if there were any more like him where he came from. He came from a cattle ranch in Alturas, California, and there were no more like him — but the rancher told us he would sell the original model. We’re convinced the rancher laughed all the way to the bank with the $1200 selling price. We felt we had made a bargain purchase. Grey was 9 years old at the time, and he proved his worth to us for 23 more years.

Grey worked cattle, flagged trail, top tenned innumerable endurance rides, placed fourth on the Tevis, was a consummate actor, and won the trail used by the Castle Rock 50-mile endurance ride. We will place a granite boulder and bronze plaque there so that he will never be forgotten by the participants of the sport in which he excelled.

— Lud & Barbara McCrary

Levi’s Ride & Tie in 1977 at Point Reyes. The $1250 award money that was Grey’s share more than paid for him. He was a great teacher and mentor for many Ride & tiers, some of whom are still competing.

He was laid to rest under an oak tree on Big Creek Ranch next to the
Hello everyone. Steve Shaw, Maryann Buxton (the 1999 Championship Race Director), and I went to Klamath Falls recently to look at the 1999 race site. We met with Tim Kerns, the local race coordinator (who couldn’t have been more helpful) and the race site host, Cameron Curtis. He and his wife, Jennie, are great, and they have a beautiful ranch, called The Rock Creek.

This is where the camp and start/finish will be. It’s about 30 minutes from town and about 10 minutes from the Running Y Resort. The Resort is lovely and has room for those who don’t like camping! It is situated next to Klamath Lake and has an 18-hole golf course, a gym, a small store, and a restaurant.

The camp site is on what was an old town. It has a large treed area that will provide us with a central gathering area, a large meadow for our favorite type of “whoop it up” start and easy to see finish, and 35-40 miles of cloverleafed trail. The course will be over private land and will be laid out initially by Cam Curtis and his new ranch foreman, Ron Kelly.

Some of you may remember Ron. He’s an old Ride & Tie who was, in fact, second at our first Klamath Falls race and second at the 1975 Paso Robles event. What a surprise to find him here!

Rock Creek Ranch is across the road and Cam will rent out paddock space on a first-come, first-served basis for those who wish to stay at the resort or those who do not wish to have their horses in the main camp.

It was snowing when we were there, so we didn’t see the trail, but we plan to return in March or April and go over it. They say there is no worry about snow in July (famous last words) since the altitude for the race will only be 4,000 to 5,000 feet. So far, I think it will be a combination of ranch and logging roads and off-road trail. We’re counting Ron and Cam to lay out a challenging course. I’ll keep you posted as we learn more about it.

I think we’re going to have a great event this year and I encourage you to bring some new folks along. There is a lot of enthusiasm in the local area for the race, and I think we’ll get some new teams from that area as well. I’ll keep you posted as we learn more about the course and gather more details about the area. Until then, my best wished to you and your families.

— Mary

1999 “Tentative” Race Schedule

**FEBRUARY 27**
Cahuilla Heights Ride & Tie
10/26 miles
Arlene Foster
(908) 767-1237

**MARCH 20**
Mustang Classic Ride & Tie
25 miles
Dan Barger
(408) 997-3581

**APRIL 11**
Mountainside Ride & Tie
15/25 miles
Mike Lynch

**APRIL 11**
No Frills (Virginia) Ride & Tie
25/50 miles
Jean Lichtenberger
(504) 933-6991

Complete, updated list to be printed in next newsletter.
The Ride & Tie Association is putting on two big parties in 1999. And you are all invited!

One is the co-hosting of the Friday Night Dance at the AERC Convention in February. Like all of the last few years the Ride and Tie Association is charging $3 to dance, $5 to talk. There will be a restricted mike this year and more dancing.

The other is a week-long party from July 4 through July 10. The 29th annual Easyboot Ride & Tie Championship will be held July 10 at the Rock Creek Ranch at the site of the old Powerhouse (still in operation) just out of Klamath Falls, Oregon on Highway 140. The Running Y Ranch and Rock Creek Ranch are co-hosting the event this year and it promises to be one of the most challenging and fun weeks.

You are all invited to share the base camp for that week and ride the 40 miles of pre-marked trails overlooking the lake. Come share in the week-long activities and sights near Crater Lake.

Base camp is at the site of an old ghost town just 1/2 mile off the highway. Water is easily available at the camp and miles and miles of riding on over 52,000 acres is accessible. Those not participating in the race can come and camp and ride this week for no charge (but be careful around us sweet-talking ride & tiers or we'll have you entered before you know it!)

Camp and trails open on July 4th weekend. There is a "surprise" party on Wednesday, Potluck on Thursday, and a RAT Race on Saturday. Racers get a free banquet, though tickets will be available for purchase for guests and non-competitors. A Shriners Mule Camp will be held that same week and they will be providing the meal on Saturday.

On the TRAIL to anyone who wants to ride & tie the day. It will only cost $25 per person. Some horses will be provided. International enthusiasts are encouraged to try a day. For more information, contact Mary Tiscornia, association president (the association numbers are on the cover of this newsletter, and also in the masthead).

At the Cuyamaca Ride & Tie, Garret Ford (owner of Easyboot) was first place with his partner from Idaho, Christoph Shork. Their horse, Exit, also won Best Condition. Thanks to a loan from Lon Clearwaters of his great horse, Cowboy, me and my bride to be, Michele Rousch, were second place. Thanks, Lon!

The Ride & Tie Association has acquired one of the entries to the entire 2001 XP and will offer any of the "DAYS

Editor’s Note

The Ride & Tie Association has received several letters from members recently.

Jim Remillard wrote to drive home the point that ride managers need competitors to pre-register. Without pre-registrations, managers sometimes cancel rides due to "low turnout," not knowing that people were planning on coming at the last minute.

Ted and Joan Ruprecht wrote to make some suggestions regarding improving the Championship. All letters are forwarded to the Board of Directors, so concerns can be addressed.

Thanks for the letters, and keep them coming!
F
ollowing a four year absence the Almaden Triathlon took place on October 17, 1998. Divisions offered included Team & Ironperson All Male, All Female & co-ed. Seven Solo competitors started with 12 teams. After a quick start by Rick Anderson, Chris Turney and Dan Barger hunted him down as the hills got steeper. By the end Dan had the fastest running time of the day in 53:22 with Chris finishing in 54:08. Dan and Chris would later reveal their plans to team up as ride & tie partners for the 1999 season. You've been warned!

Ross Doyal held the lead on the bike section and hand off to Bob Spoor. The team of Barger/Doyal & Spoor would end up slipping to fourth overall while Anderson/Parod & Andreotti would bring the win home in a time of 2:48:21. Suzanne Andreotti would also have the fastest horse split of the day.

In the Ironperson division Mark Falcone won in 3:14:11. Rumor through the grapevine is that Mark will be getting involved in Adventure Racing, which is a new sport for the next millennium. Adventure Racing is a team sport involving mountain running, Mt. Biking, kayaking all while using topo maps to find checkpoints along the route. Michelle Andreotti was second overall and 1st woman in 3:27:22.

DID YOU KNOW?

AERC CONVENTION & TRADE SHOW AND THE RIDE & TIE AWARDS DINNER
For rooms, call the Silver Legacy at (800) 687-8733 to make reservations. Or try next door at Circus Circus (702) 329-0711 or El Dorado (702) 786-3700.

The awards ceremony and banquet for the Ride & Tie Association will be held at Circus Circus on February 27, at 7 p.m.
If you're planning on attending, please call Judy Haulman at the Association office (530-367-2525) so we can add you to the list.

THANKS TO EASYBOOT FOR THEIR SUPPORT . . . AND FOR A GREAT PRODUCT!
Ride & Tiers are grateful to Garrett Ford and his Easyboot company for the generous sponsorship of our annual Championship. Without Easyboot's help, there may not have been a Championship for us all to enjoy.

But ride & tiers are also grateful to Easyboot for the superior protection the product offers our horses! Did you know that in the three years since Easyboot began sponsoring the Championship and conducting clinics on proper fit and application of the boots, ALL the horses that have won the race and Best Condition happened to be wearing Easyboots? And in the 1998 Championship at Donner Summit, 7 of the top 10 teams were wearing Easyboots!

Additionally, the head veterinarian of the Championship, Dr. Jim Steere, has stated that he has observed that horses wearing Easyboots seem to have increased protection from the effects of concussion.

SIBLING RIVALRY CARRIED TOO FAR?
Members may or may not be aware that veteran ride & tiers Gayle Lynch and Lorrie Barger are sisters (formerly Gayle Snow and Lorrie Snow), and that they were both pregnant with their first children this past summer. Both of these competitive women compete in ultra distance trail runs, ride & ties, and endurance rides.

Their competitive natures must run deep, because as it turned out they went into labor on the same day, in a race to the delivery room! Final results: Lorrie edged Gayle at the wire. Tristan Barger was born on July 27, 1999 at 10:15 p.m. Gayle crossed the line with Ms. Mariah Lynch at 4:11 a.m. Congratulations to the racers and their crews!

P.S. The sibling contests are not over. Gayle was out riding her horse TWO WEEKS after giving birth. And Lorrie ran the 52.4 mile Sierra Nevada Double Marathon just 11 WEEKS after giving birth.

THANK YOU, KATHY AND ERIC THOMPSON
Did you know that the Thompsons have supplied the distinctive, permanent cloth race number bibs for the Founding Association members and Top 10 teams to wear at each year's Championship race?

These special numbers give recognition to those whose support has enabled the sport of Ride & Tie to continue for all of us to enjoy and to those whose effort and talent put them at the top of the sport!

WHAT MAKES MARVIN SNOWBARGER RUN?
Qualifying for the Western States 100 Mile Endurance Run was first and foremost on Marvin’s mind as he competed in the Sierra Nevada Ultra Marathon, but it was not to be. So, just two weeks later he entered the Napa Ultra with the same thought and QUALIFIED! Way to go Marvin!!

Reports from AfieId

Southern California Desert Rats Win the Velveeta Cup Again!
by Arlene Foster

What a rat? You already are one! We go by Zip code. If you are from Southern California, you are a “Bay Rat,” from the Cool area, a “Cool Rat,” from Obispo and Arroyo area, you’re a SLO Rat.”

Jeff Herten gave us a neat trophy cup with Velveeta Cheese encased in it (hopefully, it’s airtight). The trophy has engraving plates so we can pass it around every year to the team that wins it. The Velveeta Cup will be presented to the Desert Rats and the Ride & Tie Association Year-End Banquet, held on February 26-27. Come join us!

How we score: We selected four races: Cuyamaca, Quicksilver, Big Creek, and Cool Pro-Am to be our Rat races. You score points on these races. Amateurs get 5 points, Pros get 1 point. If two Pros from the same Rat Pack team up, they get 1 bonus point for a total of 3.

This year, two Rat Races were cancelled; Quicksilver and Cuyamaca were the only Rat Races this year. The Rat Race was very close. Judy Haulman helped count all the points (she checked the list twice, then checked it again to be sure.) The Desert Rats won again.

The next Rat Race will be the Quicksilver Pro-Am. Let’s try hard and bring an amateur (someone who has never done more than three ride & ties) to the Rat Races.
**Ride & Tie Office Memo**

by Judy Haulman, Administrative Director

**AWARDS BANQUET**
The year-end Awards Banquet will be held at 7 p.m. on Saturday, February 27 at Circus Circus in Reno. (This is next door to the Silver Legacy Resort, where the AERC Convention is being held.) Dinner will be a beef and chicken buffet with a casual, fun, atmosphere. The price is $25 per person. Plan to attend! Call the Ride & Tie office NOW so we can plan on enough food: (530) 367-2525. Come by the Ride & Tie booth at the Trade Show for details.

Also, we will give the 5-, 10-, and 15-year completion awards at the dinner. Please help us by sending a list of your completions to the Ride & Tie office. Even if you are NOT due to receive an award this year, please send your list to us so we can file your correct information for years to come.

**CREDIT WHERE CREDIT IS DUE:**
Name the horse that won the 1998 Easyboot Championship Ride & Tie.

Poker? NO...He got that name due to a miss-read of handwriting on the entry. His true name is Sabaskramus – AKA Pokey!

His owners, the Michael McHugh family of Draper, Utah, say he got the name because he is SLOWER than his brother (also their horse). All we can say is, look out not only for the awesome runners from Utah, but also these GREAT horses.

**TYING THE KNOT**
Engaged:
Michele Roush & Steve Shaw
Ellen McCrary & Dennis Rinde

NOTE: Ride & Tie competitors tie with slip knots or use a carabiner on their tie ropes so they don’t have to tie knots and for quick release value. However, from the looks of these two couples, opposite tactics will be used when they tie THE knot. Surely it will be a good old-fashioned knot...meant to hold through anything. Much happiness is wished for all of you.

**RIDE & TIE TOUGH**
“Nice Going” to all the Ride & Tie Association members who ran in the grueling 52-mile Sierra Nevada Ultramarathon: Mark Falcone, Becky Widler (first woman overall in her FIRST ULTRA), Lorrie Barger (baby Tristan was just three months old!), Roger Dyke, Dave VanWicklin (first Ultra).

The following weekend Roger and Dave “relaxed” by traveling to Southern California and successfully completing the 24-mile Cuyamaca Ride & Tie. These guys are something else!!

**THE IMPORTANCE OF BEING A DOUBLE-YOU**
All the winners at the 1998 Easyboot Championship Ride & Tie were W/W competitors:

- Ist Man/Man – Wadsworth/Wadsworth
- Ist Man/Woman – Widler/Widler
- Ist Woman/Woman – Wadsworth/Wagner

Jon Root brought this to our attention after hearing a rumor that a large group of Ride & Tiers were changing their last names to ones that start with “W”!

---

**Reports from Afield**

**Cowboy Country**
by Arlene Foster

Cowboy Country was held in the small town of Anza. That’s about 20 miles east of Temecula, Calif. David clocked the mileage and it’s actually 26.2 miles – that’s a marathon a day.

We had four teams start on Saturday and three teams on Sunday. John McConnel, DVM, was out head vet on both days. He awarded “Best Condition” to Frank on Saturday.

The course was great, no rocks, nice stream water for the horses, but very tough with lots of elevation changes.

The trail was very well marked with ribbon and lime arrows.

Vince, David, and their horse Frank did really well. Evelyn, Arlene, and their horse Linda thought they might catch the boys. Not that day. Marylou and newlywed Tiffany (she married David Foster, Jr. earlier this year) struggled on the tough course. Jane and horse Scamp felt great but partner Mona had a bad cold and felt terrible.

On Sunday, Evelyn, Arlene, and Linda were the only ones who started and finished the two-day 50. Vince and David Jr. lost a shoe, so they pulled. David Sr. took newcomer Jennifer out on the first loop but were too tired to go on.

We had three teams who did not finish, but we try to reward you for taking the challenge, and all participants were acknowledged for doing half the course. Great prizes were awarded to all.

Nice hot showers, pipe corrals for horses, a huge bonfire, plus home made dinner both days by Marcell Markle, our host, made it so much fun.
