## Liability Release

Read carefully and sign at the bottom of this form:

### Acknowledgement of Risk & Release of Liability

The Undersigned Participant represents that:

I recognize the element of risk in any activity associated with the outdoors. I am fully aware of the risks and dangers inherent in Ride & Tie such as but not inclusive, of: being thrown from, trampled or kicked by a horse; injuries from falling, wildlife hazards; insect hazards; vehicle hazards, altitude sickness, overuse injuries to mount; fatigue, dehydration and even death to horse and/or rider or runner; getting lost; and difficulty in gaining access to or locating injured participants. The event is in remote areas for extended periods of time, far from communications, transportation, medical or veterinary facilities; and that these areas have many natural and man-made hazards which event management cannot anticipate, identify, modify or eliminate, that accidents can happen to anyone at any time.

I am aware that Ride and Tie is extremely difficult and hazardous for even well-conditioned horses and runners under the most favorable of conditions. This event covers difficult mountainous terrain and spans extremes of altitude and temperature. I have been warned that I should not participate in this event unless I and my horse are in excellent physical condition. Knowing the risks and dangers, I understand the possible consequences of participating in such an activity include, but are not limited to the following: physical injury to horse and/or rider-runner from a number of natural factors including, lack of water, hazards of vehicular traffic; narrow, precipitous trails and to those other hazards attendant to riding and running along or across roadways including among other things, the fact that I may become injured or incapacitated in a location where it is difficult or impossible for the event's management to get required medical or veterinary aid to me or my horse in time to avoid additional physical injury or even death. Knowing these facts, I nevertheless in consideration of your acceptance of this entry, hereby for myself, my heirs, executors and administrators, waive, release and discharge **World Championship Ride and Tie and Equathon**, the Ride and Tie Association and the officers, directors, and/or members, agents, and employees of each, all medical, veterinarian, and other personnel assisting with the event, or any of them and any other person connected with this Ride and Tie, or any public or private land owners where the trail is located, their representative, successors and assigns, from any and all rights, claims or liability damage for any and all injuries to me or my horse or property, or for damage caused by me or by anyone else (including Acts of God), arising out of or in connection with my participation in the event. I further agree that I will defend, indemnify and hold harmless **World Championship Ride and Tie and Equathon**, The Ride and Tie Association and the officers, directors, members, agents, of each, against all claims, demands and causes of actions, including court costs and attorneys' fees, directly or indirectly arising from any action or other proceeding brought by or prosecuted for my benefit contrary to this Agreement. This release extends to all claims of every kind and nature whatsoever, whether known or unknown, and I expressly waive any benefits I may otherwise have relating to release of unknown claims.

Furthermore, I certify that I have the necessary skills and ability to participate in **Ride and Tie** and Equathon and assume full responsibility for myself and my horse for bodily injury, death, and loss of personal property and expenses thereof as a result of my negligence in participating in said activity.

I have read, understood, and accepted the terms and conditions stated herein and acknowledge that this Agreement shall be effective and binding upon me during the entire period of participation as an entrant of the said activity and to any injuries or subsequent complications or conditions arising therefrom.

I acknowledge that I have read all the foregoing paragraphs and know and understand the content thereof:
