**Friday and Saturday April 1 & 2, 2022 (Covid-19 Dependent!)**

**We are official but the event could be cancelled at the drop of a face mask. Will let everyone know 2 weeks prior. In 2020, we cancelled about two weeks prior.**

**FOR 2022:** There is also a Ride & Tie and Equathon. Separate entry.

**Rules** are on the Western Pack Burro Association website at <https://www.packburroracing.org/programs/rules>. Contestant and burro starting the race must remain a team throughout the contest. No assistants will be allowed to accompany any team. The runner may push, pull, drag or carry the burro. The contestant shall at no time progress except under his/her own power. No contestant shall interfere with other contestants by deliberate personal contact or receive help deliberately from others, nor shall he or she use anything other than the speed of travel to keep from being passed. The winning combination consists of man/woman and burro which must cross the finish line as a unit. The human may be leading or following the burro but the burro's nose crossing the finish line first constitutes the winner.

**Equipment:** Each runner must be accompanied by a Burro! It is the responsibility of the runner to acquire their own burro. They may use their own animal or borrow/rent someone else's. Each burro **MAY** be required to be equipped with a regulation pack saddle, packed with a pick, shovel, and gold pan. The combined weight of the pack saddle and paraphernalia shall be a minimum of 33 pounds. It is strongly recommended that all participants carry at least one - two quarts of water, food, and clothing for all types of weather.

**Trails/Camping Facilities:** The East Fork Stables have about 125 miles of exclusively equestrian trails consisting of dirt/gravel roads, and some single-track trails. This event covers difficult mountainous terrain and spans extremes of altitude and temperature. I have been warned that I should not participate in this event unless I and my burro are in excellent physical condition. Knowing the risks and dangers, I understand the possible consequences of participating in such an activity include, but are not limited to the following; physical injury to burro and runner from a number of natural factors including, lack of water, hazards of vehicular traffic; narrow, precipitous trails and to those other hazards attendant to running along or across roadways including among other things, the fact that I may become injured or incapacitated in a location where it is difficult or impossible for the event's management to get required medical or veterinary aid to me or my burro in time to avoid additional physical injury or even death. I further agree that I will defend, indemnify and hold harmless **Giddyup and Run Pack Burro Race**, The Western Pack Burro Ass-ociation the officers, directors, members, agents, of each, against all claims, demands and causes of actions, including court costs and attorneys' fees, directly or indirectly arising from any action or other proceeding brought by or prosecuted for my benefit contrary to this Agreement. This release extends to all claims of every kind and nature whatsoever, whether known or unknown, and I expressly waive any benefits I may otherwise have relating to release of unknown claims.

Furthermore, I certify that I have the necessary skills and ability to participate in Pack Burro Race and assume full responsibility for myself and my burro for bodily injury, death, and loss of personal property and expenses thereof as a result of my negligence in participating in said activity.

I have read, understood, and accepted the terms and conditions stated herein and acknowledge that this Agreement shall be effective and binding upon me during the entire period of participation as an entrant of the said activity and to any injuries or subsequent complications or conditions arising therefrom.

I acknowledge that I have read all the foregoing paragraphs and know and understand the content thereof:
