Friday, August 22, 2025

Ride and Tie 30-mile Long Course Championship

Saturday, August 23, 2025

Ride and Tie 17-mile Short Course Championship

Sunday, August 24, 2025

Equathon Championship 14/8 Team and Iron

*Other distance options may be available.

Due to trail damage from Hurricane Helene we are still working out safe options and distances. Exact distances and loops will be provided a few weeks prior to the events.

This event is being held in conjunction with Iron Mountain Jubilee Endurance Ride. We will be sharing vets, trails, and camping areas.

Vetting for each event will start the afternoon prior to the event. The veterinarians will set the parameters and all decisions by the vets are final.

We recommend that all horses have hoof protection.

Helmets are required while mounted.

Camping is included in your race fee. Camping is primitive in open pastures. Water and porta-potties are available. Open fires are prohibited. Dogs must be on a leash.

There is a potluck on Thursday, August 22. For each race you enter you receive a meal ticket. Extra meal tickets can be purchased for \$15. Meals are Friday and Saturday night.

All participants must be a member of Ride and Tie. This race is sanctioned by the Ride and Tie Association.

Abuse of vets, staff, volunteers or other rides is grounds for immediate disqualification.

Negative Coggins is required with registration.
